Janus International Group, LLC Acquires ASTA Door Corporation

FOR IMMEDIATE RELEASE

(Temple, GA – August 10, 2017) Janus International Group, LLC announces the acquisition of ASTA Door Corporation (ASTA), a major supplier of rolling door products throughout the United States.

ASTA will continue to operate as a stand-alone company. The planned relocation of ASTA's primary manufacturing facility and headquarters to Cartersville, GA, from Acworth, GA, will continue as planned with completion slated for early 2018.

"We are very excited about the acquisition of ASTA and we remain committed to the company's continued growth and prosperity. We will look for synergies that may exist between both firms and do our best to take full advantage of them, however, we do not foresee any changes in operations for either company moving forward. Both companies will continue to serve our valuable customers with quality products and outstanding customer service," said David Curtis, President and CEO.

ASTA will continue to be led by the current President, James C. French III.
